ESF OPERATIONAL PROGRAMME 2014-20 FOR THE FRIULI VENEZIA GIULIA REGION

PERIODIC PLANNING OF OPERATIONS (PPO) 2015

SPECIFIC PROGRAMME N. 29 "MEASURES FOR INTERREGIONAL - TRANSNATIONAL LEARNING AND PROFESSIONAL MOBILITY"

GRANT FOR THE DELIVERY OF LEARNING AND PROFESSIONAL MOBILITY ACTIVITIES REGARDING TRAINEESHIPS ABROAD, LANGUAGE COURSES ABROAD, NETWORKS IN THE FIELD OF EDUCATION, TRAINING AND HIGH EDUCATION AND MASTER DEGREES ABROAD

Go+Learn FVG is the three year long learning mobility project in Europe, funded by the Friuli Venezia Giulia Authority Region aimed at the personal and professional growth of the young people who live in our territory.

Go+Learn FVG, managed by EnAIP FVG as the "Intermediate Body", provides international training experience in companies and/or language schools abroad.

Objectives and expected outcomes

- Foster young residents' or domiciliated in the Region Friuli Venezia Giulia international mobility training to enhance their knowledge and professional and language competences by means of training and professional traineeship abroad.
- Maximize its social and economic impact on the region economic environment by improving employees' capabilities and developing regional and transnational networks among businesses to favour their open mindedness, innovation and internationalization.

Our project intends to involve about 800 participants, both individually and in group, in a learning mobility path, who will be divided into following typologies:

1. Traineeships in companies in the reference European countries
2. Language recurrent courses in language schools in the reference European countries
3. Post degree Master at foreign Universities in Europe
4. Training in-company services both in the FVG Region and in Europe
